**MATERIAL SAFETY DATA SHEET****MSDS #****Identity: CERUMENE****Page 1 of 2****Product Code: 30521-1308/1309**

---

**Section I – Supplier Information:****Emergency Telephone Number:**

---

Vétoquinol USA (TOMLYN PRODUCTS, EVSCO PHARMACEUTICAL, Vet Solutions)  
Address: 4250 N. Sylvania Ave. 1-800-285-0508  
Fort Worth TX 76137

---

**Section II – Hazardous Ingredients/ Identity Information**

---

Hazardous Components :	OSHA PEL	ACGIH TVL	STEL	CAS#	% (opt)
Isopropyl Myristate (CAS 110-27-0)					
Squalene (CAS 111-01-3)					
Mineral Oil (CAS 8012-95-1)					

Non Hazardous as defined by 29CFR Part 1910.1200  
(Special Chemical Identification: Common Name)

---

**Section III – Physical/Chemical Characteristics**

---

Boiling Point:	Not Applicable
Specific Gravity: (H <sub>2</sub> O = 1)	Approx. 0.83
Vapor Pressure (mm Hg):	Not Applicable
Melting Point:	Not Applicable
Vapor Density (Air = 1):	Not Applicable
Evaporation Rate (butyl acetate = 1):	Not Applicable
Solubility in water:	Not Applicable
Appearance and Odor:	Clear free flowing oily liquid.

---

**Section IV – Fire and Explosion Hazard Data**

---

Flash Point (method used)	
Flammable Limits:	LEL: Not Applicable UEL: Not Applicable
Extinguishing Media:	Dry chemical, carbon dioxide, or foam suitable for the surrounding fire and materials
Unusual Fire and Explosion Hazards:	May emit toxic fumes under fire conditions.

---

**Section V – Reactivity Data**

---

Stability:	STABLE
Incompatibility:	Reducing Agents
Hazardous Decomposition or Byproducts:	
Hazardous Polymerizations:	WILL NOT OCCUR
Conditions to Avoid:	High Temperatures.

**Identity: CERUMENE****Page 2 of 2****Product Code: 30521-1308/1309**

---

**Section VI – Health Hazard Data**

---

Routes of Entry: Inhalation? NO                      Skin? Yes                      Ingestion? Yes

Health Hazards (Acute and Chronic):                      May be harmful if ingested or nebulized material is inhaled.

Carcinogenicity:                      NTP? NO                      IARC Monograph? NO                      OSHA Regulated? NO

Signs and Symptoms of Exposure:                      None Known.  
Possible irritant to skin or eyes.  
If inhaled material may be irritating to mucous membranes and upper respiratory tract.  
May be harmful if swallowed.

Medical Conditions Generally Aggravated by Exposure:                      None presently known.

Emergency and First Aid Procedures:

INGESTED:                      If appreciable quantities are swallowed, call a physician or the Poison Control Center.

SKIN CONTACT:                      Wash affected areas promptly and thoroughly with soap and water, rinse thoroughly.  
If irritation occurs, get medical attention.

EYE CONTACT:                      Immediately rinse eyes with water holding eyes open and rinse slowly with water for 15-20 minutes. Remove Contact Lenses, if persistent after the first 5 minutes.  
If irritation persists, call a Poison Control Center or doctor for treatment.

INHALATION:                      Not Applicable.

Note to Physician:                      This solution has a low oral and dermal toxicity, and is minimally irritating to the eyes and practically non-irritating to the skin. Treatment is controlled removal of exposure followed by symptomatic and supportive care.

---

**Section VII – Precautions for Safe Handling and Use**

---

Steps to be taken in Case Material is Released or Spilled:                      Clean up excess material and place in a closed container for disposal. Clean spill area with soap and water solution if necessary.

Waste Disposal Method:                      Dispose of in accordance with all applicable federal, state and local laws.

Precautions to be Taken in Handling and Storage:                      Avoid contact with eyes, skin and clothing.  
Store at room temperature in original container.  
Do not freeze.

Other Precautions:                      Keep out of the reach of children, Wash hands after using product. Good practices require that gross amounts of **any chemical** be removed from the skin as soon as practical, especially before eating or smoking. Read label carefully before use.

---

**Section VIII – Control Measures**

---

Respiratory Protection:                      Not necessary under recommended conditions of use.

Ventilation:                      Local Exhaust:                      Adequate  
Special:                      Adequate  
Mechanical (general):                      Adequate

Protective Gloves:                      Rubber gloves for prolonged or repeated exposure.

Eye Protection:                      Not necessary under recommended conditions of use. Goggles or glasses, if splashing may occur.

Other Protective Clothing or Equipment:                      None generally required.

Work Hygienic Practices:                      When using, do not eat, drink or smoke.  
Wash hands after using.

---
